

*(As of February 20, 2001)*

**Section 7-118. Appeals --**

1. Any order of the manager and chief engineer refusing any permit or suspending or revoking any permit for the sinking, drilling or reopening of any well or shaft for the development of underground water shall be subject to an appeal therefrom to the board. The board shall have power to review and to affirm, modify or reverse any decision or order of the manager and chief engineer so appealed from. Such appeal shall be taken within ten days after service of the order of the manager and chief engineer.

2. Any decision of the board, upon such review, shall be appealable directly to the supreme court of the state by any person who has been refused a permit or whose permit has been suspended or revoked. The court shall have power to review and to affirm, modify or reverse any decision or order of the board so appealed from and may determine all questions of fact or of law involved in the appeal. Such appeal shall be taken within ten days after service of the board's order by filing notice of appeal with the clerk of the supreme court of the state and serving a copy thereof upon the board stating the grounds therefor.
